

join us....

Why we need you

Every political party relies on its members; the bigger the membership, the stronger the party.

Today, the Conservative Party is the fastest-growing Party in Britain. We would like you to join. Every new member makes us that bit stronger.

Our policies

Members help us to come up with the policies that will change Britain for better, such as:

- Cutting Inheritance Tax and Stamp Duty
- Creating a Border Police Force to tackle illegal immigration
- Holding a referendum on the EU Constitution
- Giving NHS staff more control over local services

What it involves

Paying a subscription. That's it. If you want to do more, of course, you can, but we rely heavily on the income from subscriptions to pay for our campaigns.

You can pay annually, by cheque, cash or standing order; or monthly by standing order.

Payments of £25 a year or more also give you the right to vote in Party elections - for leader and for the selection of candidates.

Other options

If you would prefer not to be a member, there are other ways you can help; making a donation or helping with our local campaigning.

- I wish to join the Conservatives
- I do not wish to be a member but enclose a donation to help with the local campaigns
- I will help with your local campaigns; please contact me to discuss

Payment details:

- Annually by cheque/cash: £10* £15* £25 £40 £60 Other: £
- Annually or monthly by standing order through my bank. Please send me a form for their use

* Only annual payments of £25 or more qualify for a vote in Party ballots)
